INHANCE TECHNOLOGIES LLC,

Appeal from the United States District Court for the District of Columbia
No. -24-cv-02194-JEB (Hon. James E. Boasberg)

**UNOPPOSED MOTION OF APPELLANTS CENTER FOR ENVIRONMENTAL
HEALTH AND PUBLIC EMPLOYEES FOR ENVIORNMENTAL
RESPONSIBILITY TO EXTEND DEADLINE TO FILE OPENING BRIEF AND
APPENDIX**

Pursuant to Federal Rule of Appellate Procedure (“FRAP”) and 26(b) and Local Rule 25(a), appellants Center for Environmental Health (“CEH”) and Public Employees for Environmental Responsibility (“PEER”) file this unopposed motion to extend the date for filing their opening Brief and Appendix from June 9, 2025 to June 16, 2025.

Good cause exists for granting this extension. This case presents complex questions of statutory construction and administrative law. An additional seven days to draft appellants’ opening brief would accommodate other pressing work commitments and the anticipated vacation schedule of appellants’ counsel. There have been no previous extensions of briefing deadlines in this case and oral argument has not yet been scheduled.

Both the federal appellees and intervenor Inhance Technologies LLC (“Inhance”) have consented to the 7 day extension requested by PEER and CEH. Thus, granting the extension request will not prejudice other parties.

As requested by Inhance, movants urge the Court to enlarge the other briefing deadlines in this case by 7 days to correspond to the enlarged deadline for filing appellants’ opening Brief and Appendix.

In conclusion, the Court should grant the PEER and CEH extension motion.

Respectfully submitted,
